This Software Product is protected by copyright laws and treaties, as well as laws and treaties related to other forms of intellectual property. **Indeterminate Realms LLC** or its subsidiaries, affiliates, and suppliers (collectively "Indeterminate Realms") own intellectual property rights in the Software Product. The Licensee's ("you" or "your") license to download, use, copy, or change the Software Product is subject to these rights and to all the terms and conditions of this End User License Agreement ("Agreement").

### **Acceptance**

YOU ACCEPT AND AGREE TO BE BOUND BY THE TERMS OF THIS AGREEMENT BY SELECTING THE "ACCEPT" OPTION AND DOWNLOADING THE SOFTWARE PRODUCT OR BY INSTALLING, USING, OR COPYING THE SOFTWARE PRODUCT. YOU MUST AGREE TO ALL OF THE TERMS OF THIS AGREEMENT BEFORE YOU WILL BE ALLOWED TO USE THE SOFTWARE PRODUCT. IF YOU DO NOT AGREE TO ALL OF THE TERMS OF THIS AGREEMENT, YOU MUST SELECT "DECLINE" AND YOU MUST NOT CREATE AN ACCOUNT, USE, OR COPY THE SOFTWARE PRODUCT.

### **License Grant**

Indeterminate Realms LLC ("Licensor") grants you a revocable, non-exclusive, non-transferable, limited license to download, install, and use the Infinite Adventure Simulator ("Software Product") on any devices you own or control, solely for your personal, non-commercial entertainment purposes. This license also allows you to make any necessary copies of the Software Product for backup and archival purposes, provided such copies are not used for further distribution or transfer.

You are permitted to use your account associated with the Software Product on multiple devices you own or control, under the condition that such use is intended only for your personal use and not for any commercial purposes or to circumvent the purchase of separate licenses for multiple users.

## **Restrictions on Transfer**

Without first obtaining the express written consent of Indeterminate Realms, you may not assign your rights and obligations under this Agreement, or redistribute, encumber, sell, rent, lease, sublicense, or otherwise transfer your rights to the Software Product.

## **Restrictions on Use**

You are authorized to log in to your account associated with the Software Product from multiple devices you own or control. However, you may not share your login credentials or allow others to use your account, as each account is personal and non-transferable. You may not create multiple accounts to exploit any new account benefits or in an attempt to circumvent system restrictions or limitations.

You may not use, copy, or install the Software Product on any system or device in a manner that circumvents intended access controls or usage rules. This includes using the Software Product on more devices simultaneously than your account permits, if such limits are specified by Indeterminate Realms.

You may not decompile, "reverse-engineer", disassemble, or otherwise attempt to derive the source code of the Software Product, or the instructions being given to the AI. Additionally, you are prohibited from using any software or hardware tools designed to bypass any software protections placed on the Software Product, including but not limited to DRM or authentication mechanisms.

In using the Software Product's AI capabilities, particularly within role-playing game elements such as character creation and customized narrative choices, you are prohibited from inputting or otherwise manipulating data to generate content that infringes on copyrighted material, trademarks, or other protected intellectual property. This includes, but is not limited to, attempts to recreate copyrighted characters, storylines, or settings without explicit authorization from the rightful owners. You must ensure that all content generated through your inputs and interactions with the AI features adheres to applicable laws and respects intellectual property rights.

You are forbidden from using the Software Product in connection with any automated system or software that operates without user intervention, unless provided or authorized by Indeterminate Realms.

You may not modify, alter, or use the content or databases of the Software Product for any purpose other than as specifically authorized under this Agreement, including extracting data or interacting with the Software Product's service in any way that is not expressly allowed by Indeterminate Realms.

You are prohibited from accessing, using, or interacting with the Software Product's API and server infrastructure in any way that is not expressly permitted by the provided functionality of the Software Product. This includes, but is not limited to, attempting to access the API or servers using automated systems or software other than through means authorized by Indeterminate Realms LLC, and any attempt to extract data or interact with the Software Product's server in a manner that imposes an unreasonable or disproportionately large load on our infrastructure. Unauthorized use or manipulation of the servers, including but not limited to hacking, introducing malicious software, or exploiting system vulnerabilities, is strictly forbidden and may result in legal action.

Failure to adhere to these restrictions may result in account suspension, termination of the account and all data including purchased in app products, and legal action where applicable.
